---

**"The power of the Poetry Performance filling the daily street, the outdoor market place and the under the bridge etc. with an artistic whiff of perfume!"**

**"The Visual Poems tasted by the senses of our eyes and total bodies!"**

**"The presentation of the new aesthetics of performing arts! – Poems + Objects & Installation + Body & Movement + Strong voice + Live music"**

Poetry Performance <The Clothes of Wolf> consists of 2-5 visual poems, which is not a public reading. Visual poems are a kind of interdisciplinary performance by combination and artistic communication of literary works, live music, fine arts, performing arts etc. This performance is based on the poems of Lee Cheol-Sung, the creator and director.
